

Bastian Meier is a visionary filmmaker who has enriched the world of cinema with his unique perspectives for over a decade.

As an experienced Director of Photography, Director, and Colorist, the founder of bitframe channels his passion into sophisticated and extraordinary projects, ranging from promotional films to documentaries.

His clientele boasts prestigious names including TV stations like **Servus TV and ORF**, alongside other prominent brands such as **Red Bull, KTM, Mareier Holz, Black Diamond, and Pieps**.

He stands out for his ability to seamlessly blend his roles as a Director of Photography, Director, and Colorist, weaving together diverse elements to craft captiating visual stories that resonate deeply with audiences.

Trivia:
The exam for my masters theses was held in a cinema.

I crossed Austria from Vorarlberg till Steier mark with the use of ski areas and backcountry skis.
